

**SANTA BARBARA  
DOWNTOWN  
ORGANIZATION**

## GRAFFITI REMOVAL AGREEMENT

I, the undersigned, grant permission to the Downtown Organization of Santa Barbara to remove graffiti from the building / wall located at: \_\_\_\_\_

\_\_\_\_\_.

I hereby consent to the Downtown Organization of Santa Barbara, Inc., its officers, directors, agents or employees using such means as may be reasonably necessary to remove the graffiti from said wall(s) and/or structure(s).

Such removal shall be without cost to the undersigned. Graffiti removal shall occur any day (Monday through Sunday) between the hours of 7:00 a.m. to 5:00 p.m. without requirement of any additional notification to the undersigned.

I specifically understand that only graffiti will be removed. There will be no additional painting or repair of a more extensive area, and there is no obligation on the part of the Downtown Organization to paint or repair the wall and/or structure to its original texture and/or color. In addition, the Downtown Organization is not obligated to paint window or doorframes, remove graffiti from cloth awnings or markings to storefront windows or glass.

I also understand that the Downtown Organization may elect not to remove the graffiti if the graffiti is in a location that would put the Downtown Organization's employees at risk because of extreme heights or other unsafe circumstances.

In consideration thereof, the undersigned hereby releases the Downtown Organization of Santa Barbara, Inc., its officers, directors, agents, servants and employees from any liability whatsoever to persons or property, including death by reason of the removal of such graffiti, and specifically releases the same from the obligation of rehabilitation, repair, replacement of repainting said wall(s) and/or structure(s) in the event any damage occurs thereto by reason of such removal.
